Picture Release Form 2011-2012

Through out the R.E. school year, children's pictures are taken during special activities and events.

Some of these photos will be used on posters and on the website to show our enthusiasm with our faith.

Students will be proud to see themselves online and will really enjoy sharing their accomplishments with others—especially if you have family members who live out of town.

Therefore, we are asking you to please fill out this form and return it to the R.E. office, if you **do not**, want your child's picture used. We will not use student's last names.

If we do not receive a form, we will assume it is ok to use the photo.

_____ No, I would not like my child's picture used.
