## **January 12 and 19 – Basics of Catholicism**

This class will review and discuss some of the basics of our faith tradition. However, there will be some real depth in understanding how to live our faith. There will also be a time to discuss some of the tough faith questions we face as Catholics.

## **January 26 – The Books That Didn't Make the Bible**

When Eusebius assembled the group of books that we call the Bible in the 4<sup>th</sup> century he left many writings behind. We will take a look at why he made these choices and what these other books said.

## **February 2- A One Night Summary of the Book of Revelations**

This class is a must to make! Revelations is the most misunderstood book in the Bible. Come find out what the story really means and discover the real author and the real meaning of the number 666.

## **February 9- Understanding Christian Symbols**

Have you ever looked at Christian art, stained glass windows or sculptures and wondered what the small symbols, patterns and colors meant? Here is an opportunity to learn the answers to the stories trapped in the art.

## **February 16- Parables and Their Real meanings**

Jesus was a master at telling parables. He wrapped so many layers and so much depth into these short stories that it is a perpetual treasure for us to uncover all of the meaning.
